EXPERIENCE

Andela, Rwanda — Full time

1/12/2021 - Current

Andela is solving the technical talent shortage by building distributed engineering teams with Africa's most talented software engineers. Andela is powering global engineering teams while catalyzing the growth of tech ecosystems across Africa.

✓ I am a Trainee at Andela, which provides me with Leadership skills so as Project management skills.

✓ We develop several projects

Technologies used:

✓ React for frontend with Tailwind CSS and Redux as a State Manager.

✓ NodeJS with PostgreSQL on the Database with Sequelize as ORM for the backend.
